Policy for Team Sponsorships

The VSYSL has adopted the following policy regarding sponsorships designated for a specific team.

- 1) Any team can freely solicit sponsorships from any person, business or organization.
- 2) All team sponsorship money must be used for the equipment, uniforms, tournaments, player registrations, clinics, camps, team practice fees or travel expenses for tournaments. *Sponsorship money may not be used to hire professional trainers for the team.*
- 3) In order to receive tax benefits from the sponsorship, the sponsorship must be made to the Southfield Youth Soccer League and identified as a team sponsorship. 20% of all team sponsorship dollars will be retained at the league level.
- 4) The league will send a thank you letter to the sponsor, including the leagues Tax Identification Number and invoice for the advertising level their business had selected.
- 5) To insure funds are being used appropriately, prior to receiving a check from the league, the sponsored team must provide a written signed statement listing the intended expenditures for the money.
- 6) Once the written statement is received, the league treasurer will write a check to the designated team representative or vendor described in the receipt of goods.
- 7) In the event that all funds are not used for the listed approved expenses, the remaining funds are to be redirected back to the league to be used for cost reduction for league players, league expenses or future registration fees.
